ON THE DAY WEDDING SOCIAL MEDIA CONTENT

Nhi is your extra bridesmaid & 'behind the scenes' bestie to snap all the candid and cute BTS photos & videos so you can relax and enjoy your special day. Once the photographer arrives, it is hard to have your phones on you, so leave it to Nhi follow you and capture everything you've always wanted, ready to rewatch and share on your socials the very next day.

Nhi uses her phone and will not replace the photographer, but will simply be behind them and capturing your moments through the lens of someone who knows a bride's social media angles and highlight moments. You will receive all videos and photos by the end of the night.

**YOU GET TO CHOOSE WHICH REELS AND TIKTOKS
YOU WANT TO MAKE AND SHE WILL EXECUTE!!**

EXCLUSIVE TO NHI MAKEUP ARTISTRY BRIDES ONLY.
